Introducing BrightHR

Protect your people and your business with BrightHR

Get expert HR and health & safety software and support with BrightHR.

- ✔ **Ensure the safety of your team and create professional risk assessments with BrightSafe.**
- ✔ **Get quick answers to all your urgent HR and health & safety queries from Ireland-based advisors 24/7.**
- ✔ **Be certain when and where your staff are working with our clocking in and out App.**
- ✔ **Plan rotas and notify your staff of any changes in an instant.**

Tailored HR and H&S advice

Get access to the BrightAdvice and BrightSafe advice lines for HR and health & safety support.

Whether you need help to keep your business COVID-secure or guidance on how to make tough HR choices for your staff, rely on us for expert advice.

BrightHR: Smart people management software

- ✔ **Log sickness and lateness in a click.**
Record absences online and instantly spot when someone takes too much leave.
- ✔ **Manage staff holidays with ease.**
Accept or reject holiday requests in seconds using just your mobile.
- ✔ **Create rotas and share them.**
Get your staff to use the BrightHR mobile app to check their shifts, so you can be confident that they always know where to be.
- ✔ **Store unlimited HR documents.**
Protect your confidential documents with BrightHR's secure cloud-based software.

And keep track of staff hours with **Blip**—your free clocking-in-and-out app.

As well as complete HR and health & safety software and support with BrightHR, Bright Exchange gives you the opportunity to promote your business to an extensive network of businesses and consumers.
